PLEASE BE PART OF THIS IMPORTANT EFFORT!**

The PA Diversity Network Photo Project - 188 Same-sex Couples: Facing Inequality presents photos of local same-sex couples that serve to remind the mainstream public of the discrimination and inequality the GLBT community experiences because Pennsylvania and the US Federal government refuse to grant legal recognition of same-sex relationships.

The Photo Project has both a full set of labeled photos that are projected on a screen and a full set of framed labeled photos and has been exhibited at many public venues and on the TV news. Learn more about the Project in the PA Diversity Network booth today or at [www.padiversity.org](http://www.padiversity.org).
